GUARDIAN'S FEEDBACK REPORT

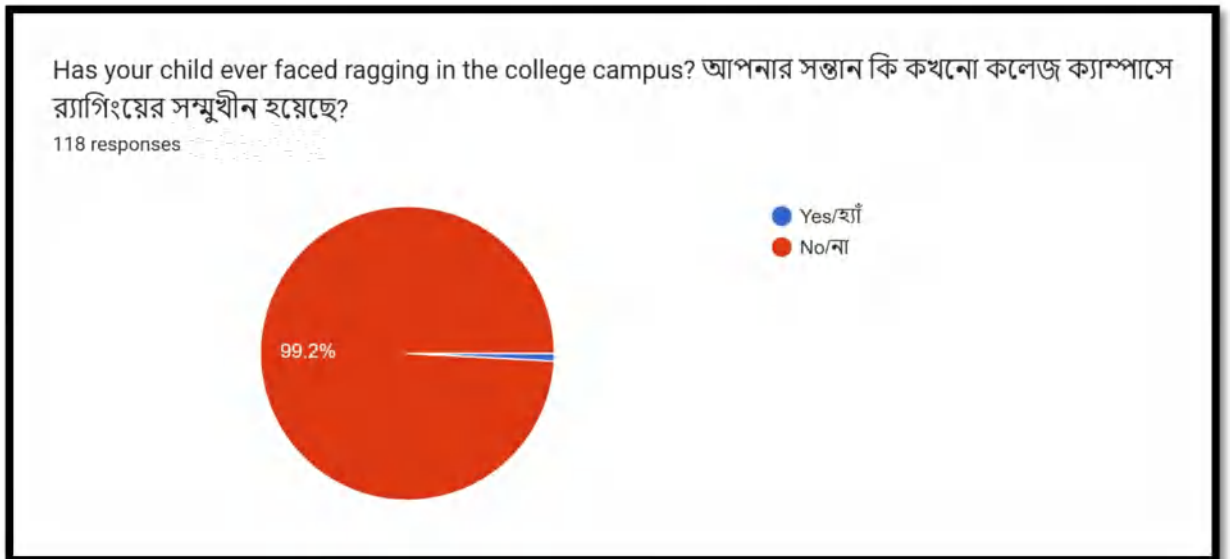

2022-23

Our college, Chhatna Chandidas Mahavidyalaya considers the opinion of the guardians would help a college lot in to improve in future and so have collected responses from them. By analyzing the responses following observations have been made:

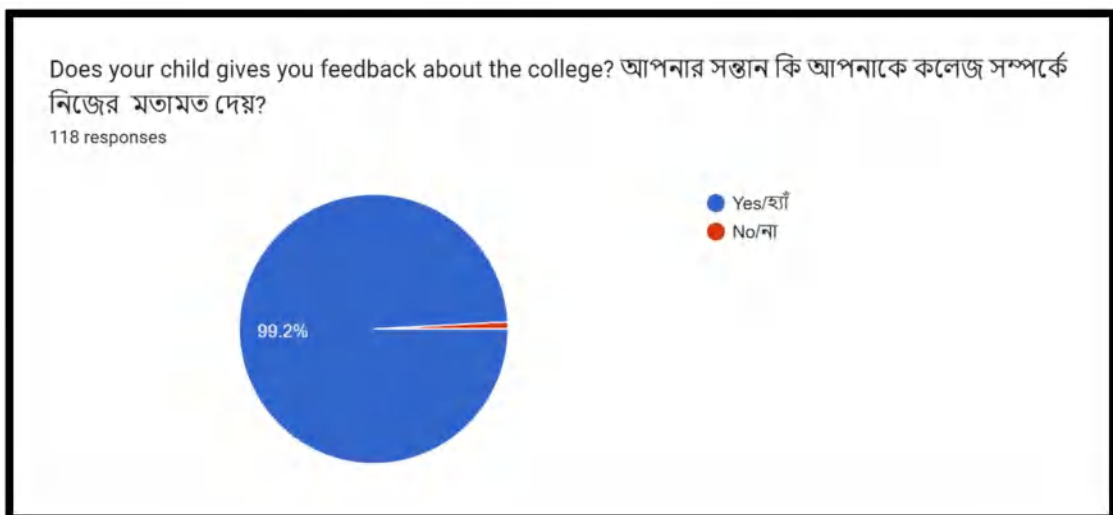

- The guardians are very much satisfied with the way the curricular activities are carried out in the college.

- The guardians have expressed their satisfaction that their children are not exposed to heinous crime like ragging in the college campus.

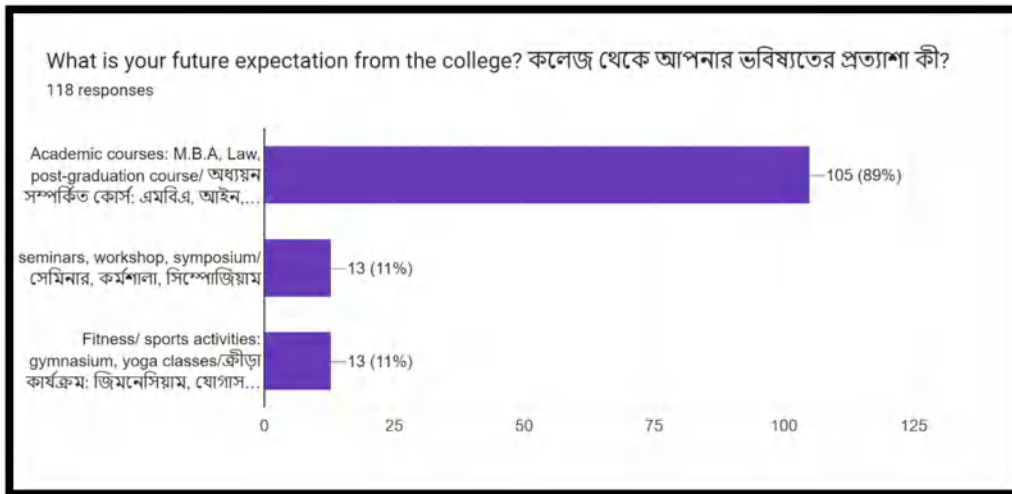

- The guardians are found to be aware of the proceedings of the college activities as their child gives them feedback on regular basis.

- Guardians have been found to be very much satisfied with the overall service they have received from the college.

- Guardians expects that in future our college will introduce more courses that may benefit their child. They also want college to arrange for some seminars and symposiums so that their child can get better academic exposure. Apart from that they expect the college to provide the students with more fitness related amenities like gymnasium, yoga classes etc.

The college authority greatly respects the feedback of the guardians as they are one of the most valuable stakeholders of the college. Our college endeavors to maintain its progress in the concerned areas and to give sincere attention in the areas where improvement is required.

EMPLOYEE'S FEEDBACK REPORT

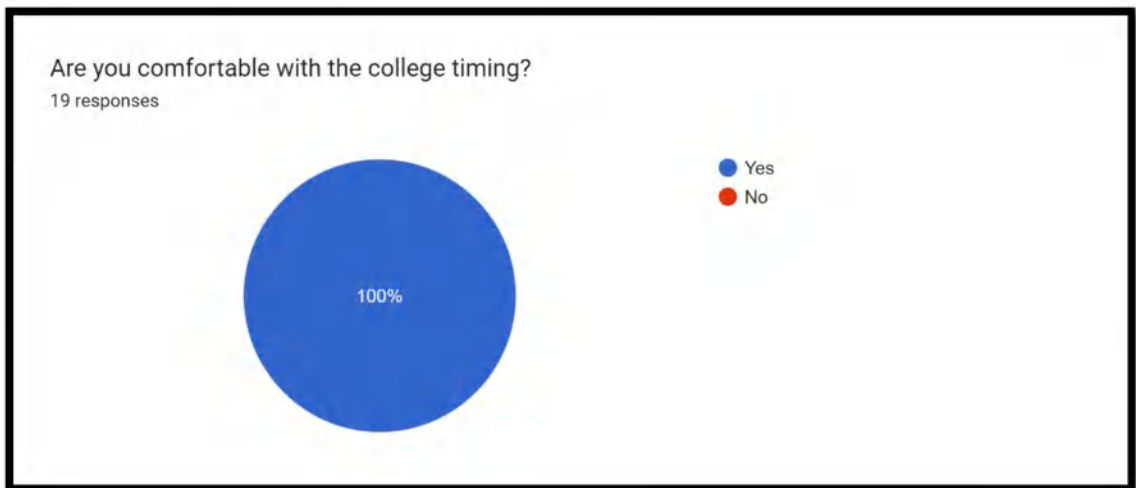

2022-23

The main driving force of the college is its teachers. So, our college Chhatna Chandidas Mahavidyalaya has immense respect for their opinions to improve in the upcoming years. So, feedbacks have been collected from them as well. By analyzing the responses, the following observations have been made.

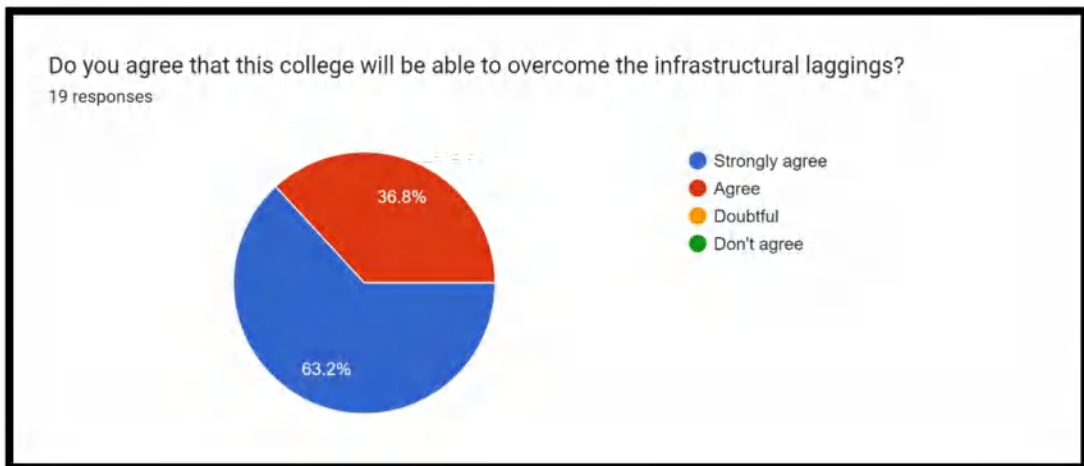

- The employees are very much satisfied with the work environment. As a healthy work environment is required for the career development, they are successfully provided with that.

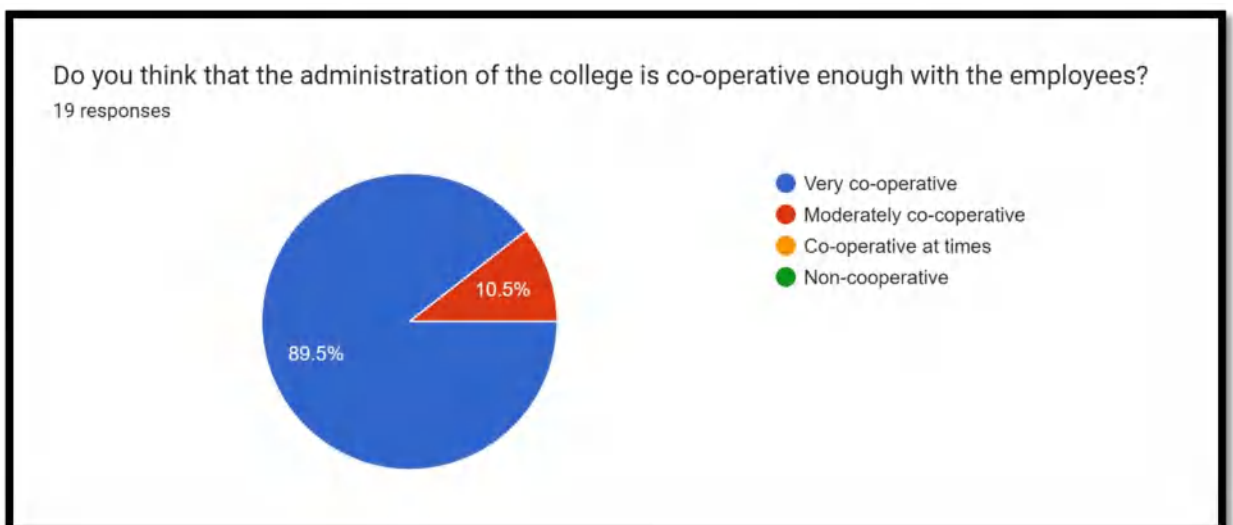

- The employees are very much comfortable with the college timings to deliver their service as well to work on to improve their academic career.

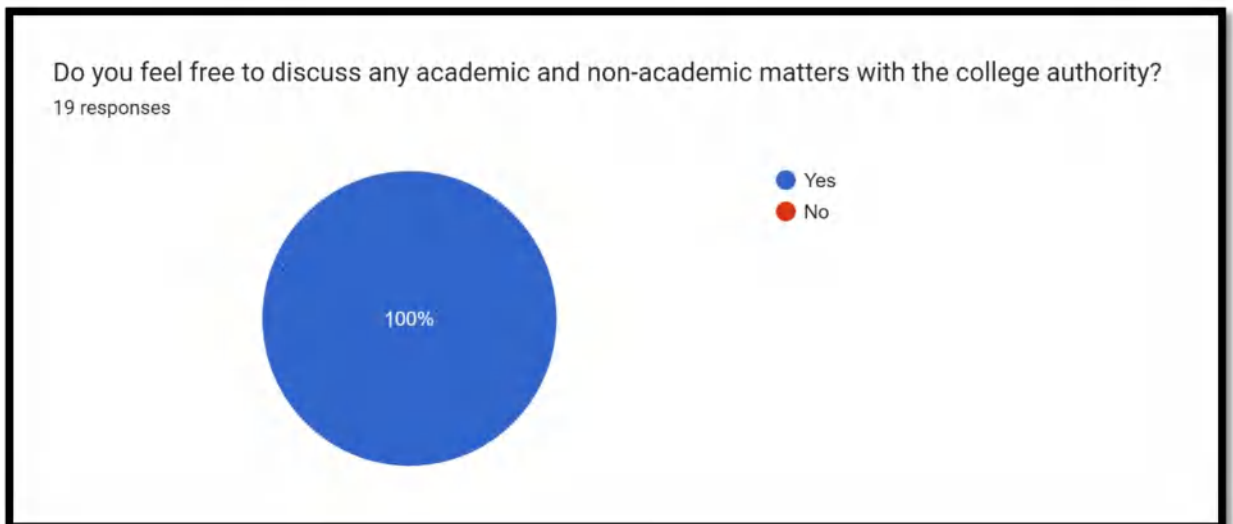

- The employees are very optimistic enough that the college will be able to overcome their infrastructural laggings.

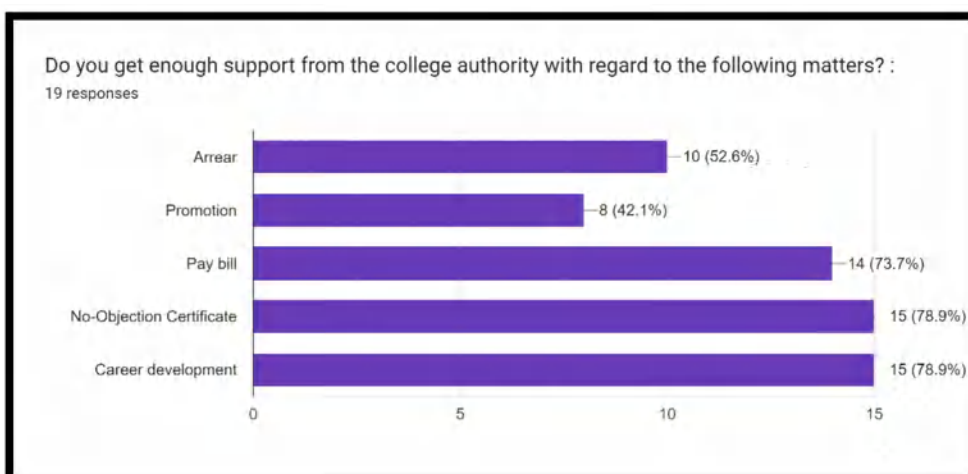

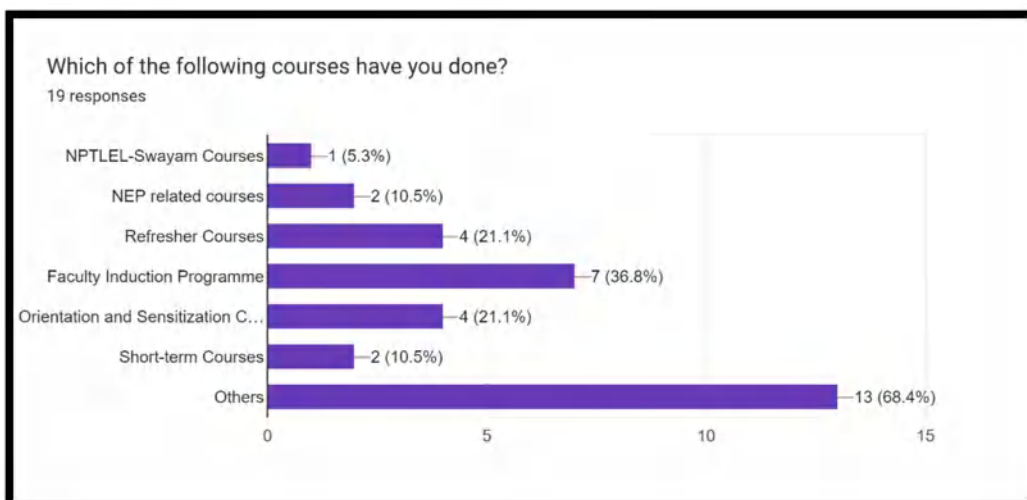

- The college authority is very co-operative and the employees are free enough to discuss any academic and non-academic matters with the college.

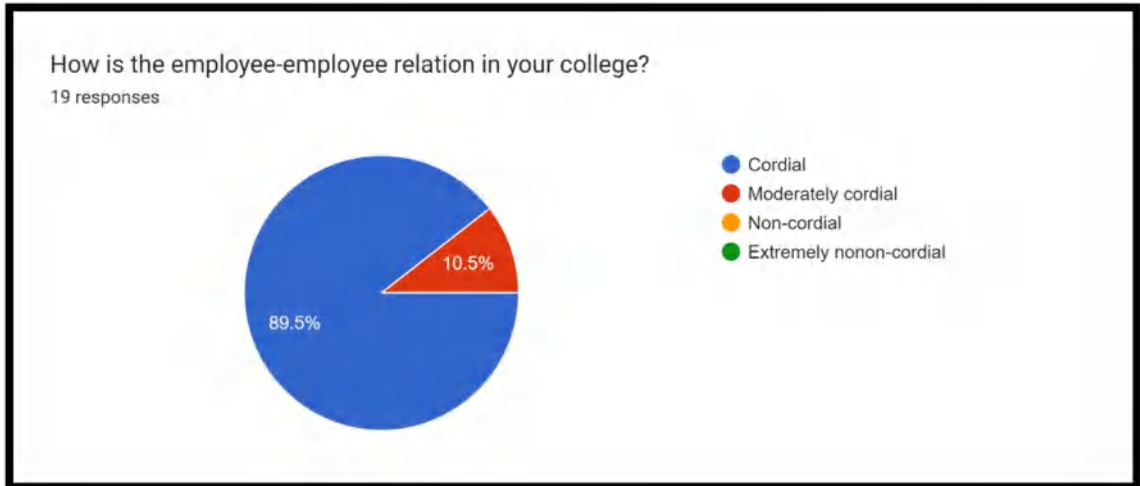

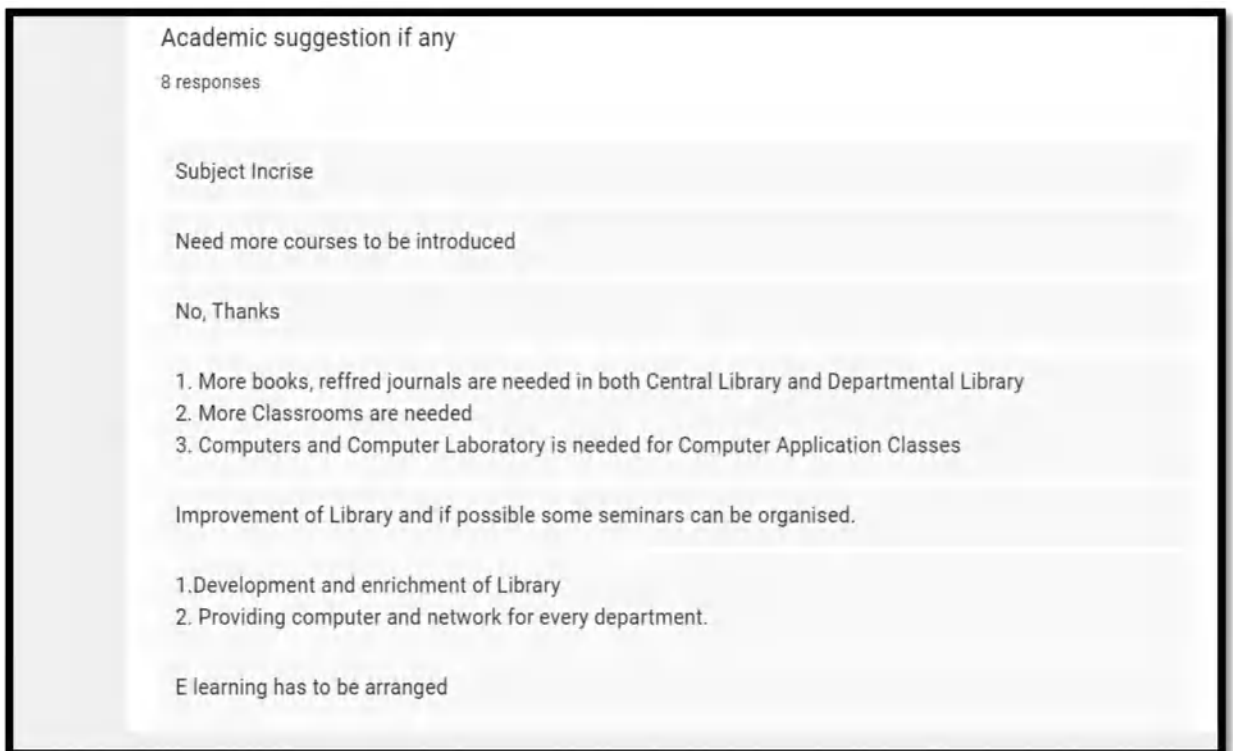

- The employees are encouraged to pursue courses for their career development by the college authority. The college is also very supportive in protecting the interest of the respective teachers which is evident from the collected responses.

- The relation between the employees is very important in the maintenance of the work atmosphere. Our college has that and the employees have themselves expressed that.

- As our college thinks that the teachers responses are important for the future academic environment, we have tried to collect their suggestion with regard to the academics and would try to implement those in future.

- In case of non-academic matters as well, the opinion of the employees matters. College has taken a note of non-academic suggestions as well.

Non-academic suggestion if any:

6 responses

No, Thanks

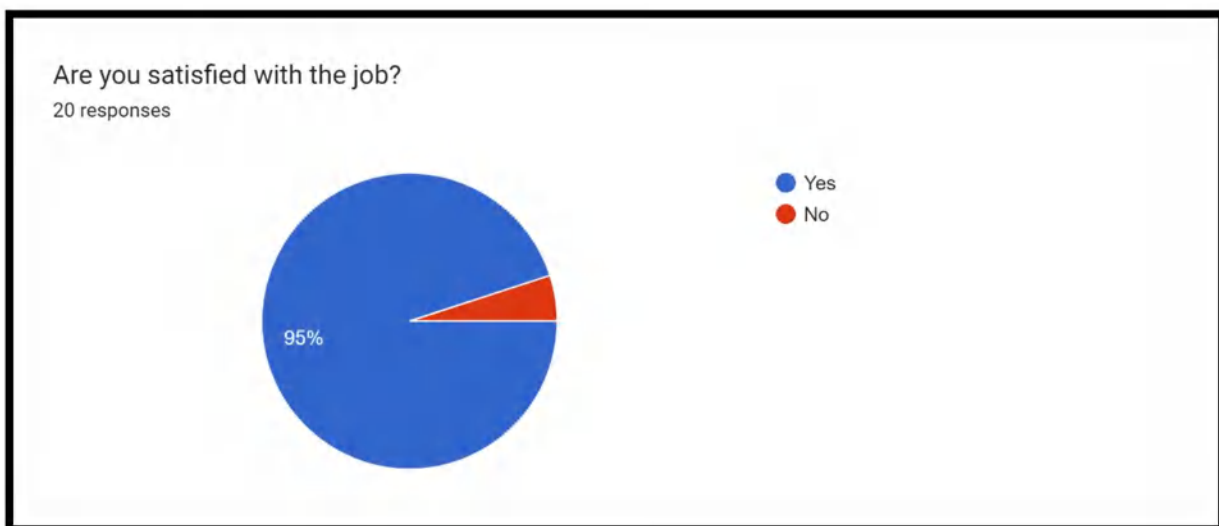

non-teaching staffs are needed

Develop social activities of the students.

1. Setting up of Gym for the staff
2. Introduction of NCC.
3. Arrangement of common room for the teachers.
4. Arrangement of spacious locker for all the staff of the college

Recruitment of non teaching staf

- The employees are found to be very much satisfied with the job which is evident from their responses. That is why they all are found to be dedicated with regard to their service to the college.

As the employees are the most important part of the college. Their co-operation all the curricular and non-curricular activities will lead the college to the progress. Our college respects their opinions, suggestions and feedback and would try to lead the college to the peak of success with their collaborative efforts.
