Report on Plantation Programme:

Student realised that the more
 more plantation is equal to
 ensure more qualitative life.
 It's a very good interactive
 session and as well as
 learning by doing session for
 the students. Plantation
 is not only the one day programme,
 here student group are taking
 continuous care of sapling
 throughout the year.

Report on Plantation Day :

The tree plantation programme is an interesting initiative to save the environment and to spread awareness on the importance of eco ecology. A tree plantation programme was organised by the students and teachers of Chhatra Chandidas Mahavidyalaya on

a teacher of the department of the co-ordinator of the programme. Under his guidance and supervision, the students of the college planted sapling of many indigenous tree species. Selected few tree species like Eucalyptus, mango, guava, lemon, ~~so~~ rose, hibiscus etc. having ecological significance and aesthetic beauty were planted. All the teachers present in the programme planted saplings with great enthusiasm as it was a great opportunity to contribute to the greenery of the environment.

Outcomes of Plantation Programme:

Students realised the inter-dependence relationship in between the animal world and plant world.

Teacher discussed the recent climate change and global warming aspects and students realised the plantation is the only and user-friendly solution of it.

Student planted 20 saplings of diversified plant species.
