How Old is the Sun?

Is it really old? Or not so much?

Our Sun is 4,500,000,000 years old. That's a lot of zeroes. That's four and a half billion.

Wow  
I'm pretty old!

# Outcomes of programme

- Students become aware about the Indian Space Research
- Gets basic information about the Universe and Earth
- Gets information about the Origin of Sun and Universe
- The students from Humanities and Social science back ground enjoyed the lecture and they gave feedback through the google form.

to me ▾

Dear Sir/Ma'am,

Greetings for the day!!

Topic- Investment Awareness Program

Duration- 1 Hour and free of Cost

SEBI - Securities Exchange Board of India has the prime mandate to protect the interest of investors in the securities market. It endeavors to educate them with the basic premise that "An educated investor is a protected investor". Financial education is an important tool, which empowers people to make sound and responsible financial decisions.

I take the opportunity to work for such a noble cause to conduct an Investors Awareness program for spreading financial awareness by conducting a seminar for one hour. As this is a CSR initiative of SEBI and MII, looking for positive support from your end.

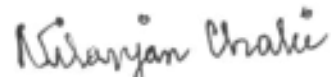

Hence, I request you to please arrange this for all the **Students and Staff** of your Institution, please confirm your convenient date and time and expected participants for the same. We need a batch size of 50+ participants(Women) in a single batch(Offline).

Please acknowledge the Confirmation of the same at the earliest.

Looking forward to your kind cooperation in this regard. Please feel free to contact me if you have any queries.

Thanking you,

Mayur
